# PRE QUALIFICATION PROFILE

# About Us

**Zahra Awami Contracting Establishment**, part of the Group of **Alams**, is a reputable contracting organization founded in **Dammam** with a clear commitment to delivering high-quality services across the construction and industrial sectors.

The company specializes in a wide range of disciplines, including Civil & Industrial Construction, Earth Work, Backfilling, Site Preparation, Fencing, Asphalt Works, and the supply of Aggregate, Basecourse, and Sub-base Materials. In addition, the establishment provides professional Scaffolding, Electrical, and Mechanical Works to support diverse project requirements.

Equipped with a comprehensive fleet of modern civil construction machinery, rigging equipment, and specialized tools, the company is fully capable of executing projects across industrial zones while meeting project specifications, industry standards, and client expectations with precision and reliability.

## Alams Associates in INDIA:

**Alams Interior Innovations**
Interior & Exterior Solutions

# OUR VALUES

## STRATEGIES

**Zahra Al Awami Contracting Establishment** aims to position itself as a key contributor to the Kingdom of Saudi Arabia's project development sector by focusing on **Project Management** excellence, the utilization of **dedicated talent**, and the implementation of **unified operational approaches**. We place strong emphasis on **customer satisfaction**, ensuring that client needs are met with precision, resulting in sustainable business growth and consistent profitability.
It is our policy to strictly adhere to comprehensive **Quality Control** and **Safety Programs**. These standards guide every project we undertake, ensuring that our work aligns with industry best practices and fully meets the expectations of our valued clients.

## VISION

To be the most trusted and respected **industrial service provider**, recognized for upholding the highest ethical and professional standards while consistently delivering a **world-class customer experience**.

## MISSION

To achieve complete client satisfaction through continuous improvement in **performance**, **service delivery**, **quality**, **safety**, **environmental protection**, and **social responsibility**, ensuring that every project meets or exceeds expectations.

## OUR COMMITMENT

We are committed to delivering superior-quality services to all our clients, on time and with exceptional value. Our operations prioritize **environmentally responsible methods**, ensuring sustainability in every aspect of our work. We view our clients and suppliers as **strategic partners**, working collaboratively to support mutual growth and long-term success.

# SCOPE OF WORKS

## Our Core Services

- Civil & Construction Works
- Road Marking & Sign Boards
- Fencing, Guard Rails & Asphalt Works
- Scaffolding & Form Works

# CIVIL & CONSTRUCTION WORK

- **Civil Contracting:**

Comprehensive civil construction solutions for diverse project requirements.

- **Building Construction:**

Industrial, commercial, and residential building works executed to the highest standards.

- **Site Development:**

Complete site preparation including surveying, leveling, grading, and backfilling.

- **Concrete & Foundation Works:**

Structural concrete, foundations, footings, and related structural elements.

- **Earthworks & Land Development:**

Excavation, grading, land development, and piling operations.

- **Superstructure Construction:**

Construction of above-ground structural components for all building types.

- **Precast Concrete Works:**

Installation of precast elements, paving works, trench construction, and utility infrastructure.

- **Drainage & Sewage Systems:**

Construction of stormwater, drainage, and sewage networks.

- **Compaction Works:**

Soil compaction and stabilization to meet engineering and project specifications.

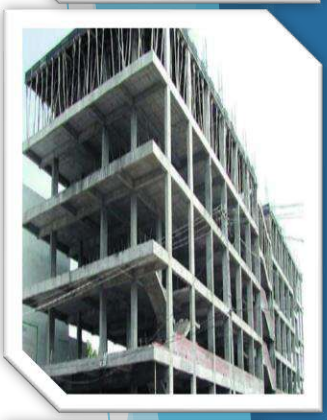

- **Landscaping Works:**

Soft and hard landscaping for industrial, commercial, and residential developments.

- **Painting & Coating Works:**

Professional painting for buildings, roads, foundations, and equipment.

# ROAD & TRAFFIC SAFETY WORK

- **Road Marking Services** — Application of high-quality thermoplastic and cold-paint road markings for highways, industrial zones, internal roads, parking areas, and pedestrian pathways, ensuring durability, visibility, and compliance with traffic safety standards.
- **Cat Eyes Installation** — Supply and installation of reflective road studs (cat eyes) to enhance night-time visibility, lane guidance, and overall road safety across industrial, commercial, and residential road networks.
- **Traffic Signboard Installation** — Fabrication, supply, and installation of regulatory, warning, directional, and informational signboards. All signboards are produced using approved materials, reflective sheeting, and mounting systems that meet national and international traffic control standards.

# FENCING & ROAD CONSTRUCTION WORKS

- **Fencing and Guard Rails** — Supply and installation of perimeter fencing, security fencing, chain-link systems, and industrial-grade guard rails. These installations are designed to enhance site safety, control access, and protect assets in industrial, commercial, and residential environments. All materials and installation methods comply with approved engineering and safety standards.
- **Asphalt Works** — Complete asphalting solutions for roads, parking areas, internal plant routes, and residential streets. Services include surface preparation, asphalt laying, compaction, and finishing to ensure long-lasting, smooth, and durable road surfaces.
- **Gravel Road Construction** — Construction of gravel roads for industrial facilities, remote sites, and residential areas. Work includes grading, sub-base preparation, gravel placement, and compaction to achieve stable, weather-resistant, and cost-effective roadways.

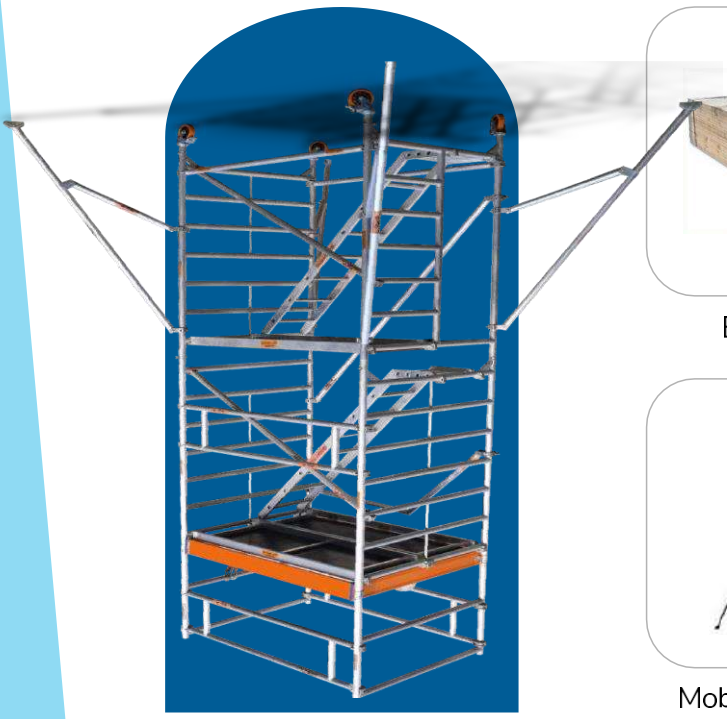

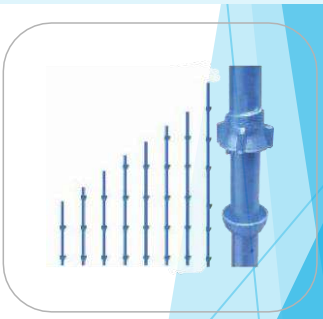

# SCAFFOLDING & FORMWORK SYSTEMS

- **Zahra Al Awami** specializes in the supply of high-quality **scaffolding materials** and **formwork systems** designed to support construction, infrastructure, and industrial projects of all scales. Our products are engineered to ensure maximum **safety**, **stability**, and **compliance** with recognized international standards.
- **Our Scaffolding Solutions Include:**
- **Cuplock Scaffolding Systems** — A versatile and heavy-duty modular system suitable for access, shoring, and support structures.
- **Ringlock Scaffolding Systems** — A high-strength, quick-assembly system ideal for complex geometries and industrial applications.
- **H-Frame Scaffolding** — Widely used for building construction, offering easy installation and strong load-bearing capacity.
- **Scaffolding Pipes & Tubes** — Durable steel pipes manufactured to meet strict safety and load requirements.
- **Clamps, Couplers & Accessories** — Complete range of fittings including swivel clamps, fixed clamps, base plates, jacks, and safety components.
- **Formwork Systems**
- **Formwork Panels & Supports** — High-quality formwork solutions for slabs, beams, columns, and foundations, ensuring precise shaping and structural integrity.

# Registration Approval Letter

June 12, 2024

**Attention : ZAHRA AL AWAMI GENERAL CONTRACTING EST.**

**CR Number : 2050084757**
**Supplier Type: Service Provider Only**
**Country : Saudi Arabia**

We are pleased to inform you that ZAHRA AL AWAMI GENERAL CONTRACTING EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10112728, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
**Supplier Registration Unit**
**Supplier Relationship Management Div**

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:
1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
